***DSHS**

New 157.11 rules are online. Jerry has sent a power point regarding the new rules to all the EMS providers. All renewing EMT-Is will be classified as AEMT in the near future.

AOR are required to obtain 8 ce's every 2 years. This will have to be confirmed on your EMS provider's renewal.

***NTRAC**

LPG has been signed. Electra will be getting the new Lucas device. We will be receiving the 6 Lucas batteries, stop the bleed kits and tactical tourniquets along with the new Lucas device. Broselow tapes are backordered and should be available by June. United Regional is losing a large amount of lines though the EMS departments. Please make sure you exchange the amount of linen you bring a pt in with for the same amount you take from the URHCS supply. Please get your county pass through receipts to Melissa by June.
