4. Executive Reports

a. **Chair:** Kim Stringfellow let the membership know to get with Melissa Whitelaw to clean up any compliance issues before the December meeting. She also reported that the RAC was contacted by an LSU graduate student needing information on motorcycle helmet injuries and deaths. Kim has also been attending the PCR

Alliance meetings and stated that they are starting to pick up pace. She submitted RAC C's representatives for the PCR Alliance to Dr. Weisoly.

- b. Executive Director:** Melissa Whitelaw will be submitting the EOY RAC Systems Development and EMS RAC reports on October 15th. She has moved into the new office at Trans Star. The address is 4312 Call Field Rd Suite 100, Wichita Falls, TX 76308. This has also been updated on ntrac.org. RAC C will be participating in the SB500 statewide wristband pilot project. Tentative details are that NTRAC will receive 5,000 wristbands for the price of \$488.00. The project will begin in mid-October and run for 4-6 weeks or until the wristbands run out, whichever comes first. Melissa will get with the providers group when the program is solidified. Melissa also took the opportunity to thank the board for her raise and incredibly generous bonus and for the opportunity to earn bonuses in the future. She looks forward to receiving the criteria for obtaining said bonuses.

5. Committee Reports

- a. Trauma Coordinators:** Nothing to report.
- b. PHEMS:** Nothing to report.
- c. PIE:** Laura Pressler reported that Clinical Congress 2020 will be held October 3-7th virtually. Melissa Whitelaw will send out information via email. Laura is also putting together an upcoming Trauma Library session. Melissa posted topics on ntrac.org under documents>quick docs. Please contact Laura Pressler and let her know if afternoon sessions or morning sessions would be preferred. The Truman X simulation manikin has arrived. Roger Ritchie will help Laura with assembly so training opportunities may begin. Also, STB training can still be done with some modifications. Please see Laura Pressler for the details.
- d. CQI:** Melissa Whitelaw gave an overview of CQI data. EZ IO had 5 new submissions. 4 were medical and 1 was trauma. 3 were administered by paramedics and 2 by physicians. 2 attempts were in the humerus and 3 were in the tibia. 1 was used in the tibia due to patient comfort and 1 was used in the tibia because the agency only had a 25mm needle. The 3rd was not specified. All 5 were successful on 1st attempt. King Vision and tourniquets had no new submissions. TOR had 1 new submission. The patient was over 55 and in medical cardiac arrest. The code was not witnessed and a lay person began CPR. Signs and symptoms were noncompatible

with life. An AED was used and shock was not advised. The death was called on scene.

- e. **Pediatrics:** Nothing to report.
- f. **Neonatal:** Nothing to report.
- g. **Maternal:** Amanda Quezada reported that maternal fetal medicine will be coming to Wichita Falls through United Regional.
- h. **Air Medical:** Roger Ritchie said Air Evac would be requesting child airway manikins for regional PALS training from the RAC at the December meeting. He also stated that during an MCI where multiple air medical agencies are called please let the dispatcher know. Roger also wanted to remind the membership to request landing zone classes.
- i. **Acute Care:** Jennifer Whitehill and Jill Griffin will be giving flu shots and having chest pain and stroke education handed out in a bag that KFDX is giving to each patient at United Regional.
- j. **EMTF:** Nothing to report.
- k. **HCC:** Please contact Shane Comer with any PPE requests at scomer@nctrac.org.

6. Action Items:
