

Pediatric Outreach Series

Care & Management of the Late Preterm Infant

United Regional
Wichita Rooms 1&3
1600 11th St.
Wichita Falls, TX 76301

Friday, March 28, 2014
12:00 – 2:00 pm

Arlene Davis, MD
Neonatologist
Pediatrix, Fort Worth, TX

Objectives:

- Define the term “Late Preterm Infant”.
- Describe incidence, morbidity and mortality rates of this population.
- Identify physiologic limitations, acute complications and long-term complications of the Late Preterm Infant.
- Describe clinical interventions and management techniques related to delivery, post-delivery care, transition, discharge and education to parents of the Late Preterm Infant.

Target Audience: Physicians, Nurse Practitioners, PA’s, Nurses, and Other Healthcare Professionals

Disclosure: Dr. Davis and the planning committee have nothing to disclose

RSVP: April Coxon, RN - ACoxon@unitedregional.org or 940-764-3346
