At “How do you want to attend the symposium” select “Via internet with hospital group code”
Hospital Group Code to enter is **0231**

For more information on this event contact

Laura Pressler at (940) 764-3088 or lpressler@unitedregional.org or visit www.aztracc.org

About the Annual Conference via Webcast

The Southwest Trauma & Acute Care Symposium is a premier conference on current trauma care practice. The faculty line-up features many of the top speakers and leaders in trauma. The content will be of special interest to physicians (in trauma, orthopedics, anesthesiology, emergency medicine, and critical care) and registered nurses involved in trauma care in the acute resuscitation phase (emergency department and operating room) and in critical care. Others involved in trauma care on an advanced level may also wish to attend (paramedics, respiratory therapists). The symposium is held annually. This is one of few symposiums that provide a dedicated focus on cross-discipline education. This year, nationally recognized orthopedic surgeons will join our expert speaking panel. The conference may be the only one in the world that offers a high-definition internet live version for those who are unable to travel. This option is only open to attendees who live outside the State of Arizona.

Orthopedic Trauma Emphasis

Continued this year is an added emphasis on orthopedic trauma. Four orthopedic trauma and extremity plastic surgeons will be presenting this year. Included in the schedule are six orthopedic trauma presentations.

About AZTrACC

The Arizona Trauma & Acute Care Consortium (AZTrACC) is a nonprofit organization that is a network of all 8 Level I Trauma Centers in Arizona, along with physicians, nurses, and other trauma care providers. The goal is to improve the delivery of health care to injured patients by promoting trauma education, collaborative research, and outreach activities.

Continuing Medical Education Credits

A maximum of 14 hours of Category 1 CME credits through Phoenix Children's Hospital and AZTrACC Continuing Medical Education Accreditation Statement. This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of Phoenix Children's Hospital and Arizona Trauma and Acute Care Consortium (AZTrACC). Phoenix Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians. Phoenix Children's Hospital designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Continuing Education Credits

This continuing nursing education activity was awarded contact hours by Phoenix Children's Hospital, an approved provider of nursing continuing education by the Arizona Nurses' Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Phoenix Children's Hospital, AzNA and the ANCC Commission on Accreditation do not approve or endorse any commercial products displayed.

***Register using your own email address (and not an admin address) to receive CME credits.**
