

## Regional Administration Record

This form is intended to assist NTRAC and the NORTEX EMS Provider's Association in surveillance of our EZ-IO® program. Please fill out this form completely after each insertion of a needle using this device. Please do not place any Protected Health Information (PHI) on this form. This information will be kept secure and used in an effort of Process Improvement and data collection. A completed form will be necessary to obtain a replacement needle from the NTRAC / NREMSPA program.
